Dear Doctor and Team,

What a couple of years it has been! Thank you for continuing to provide the best possible care for your patients and for making True Function a valued member of your team! Because of you and making the conscious decision to choose True Function, we are able to deliver on our promise of quality and service. When you order products and services from True Function, our ultimate goal is to bring you peace of mind by saving you chair time at the moment of delivery!

To streamline our products and services, we have decided to discontinue products that do not align with True Function's main purpose. By removing the excess products, we are able to focus on and enhance, the products we do best. True Function is dedicated to improving quality and services as well as expanding our digital offerings. Starting July 1st, products and services listed below will be discontinued.

If you would like to learn more about our digital services or talk to someone about what alternative appliances we have to offer, please do not hesitate to reach out to our amazing customer service team!

Again, thank you for choosing True Function and partnering with us to deliver the very best to your patients!

Thank you,

Frank Madrigal
